

Positive Education Seminar Series (2):

Parent Seminars on Positive Education

Evenings on November 26 & 27, 2015

Venue: Rm. 3505, 3/F Academic 2, City University of Hong Kong

Deadline of Registration: November 24, 2015

Originated from positive psychology, positive education focuses on well-being and flourishing. With specific skills training and curriculum implementation, positive education encourages students to strengthen their relationships, build positive emotions, enhance personal resilience, promote mindfulness, and encourage a healthy lifestyle. Many schools in the USA, UK and Australia have incorporated positive education into their curriculum and school programmes. Research assessing the impacts of these programmes showed that positive education had successfully reduced students' anxiety and depressive symptoms, and increased their sense of happiness and problem-solving skills.

Parents nowadays spend a lot of resources and effort for the development of their children, hoping that they can excel in the future. We have invited Mr. Charlie Scudamore, the vice-principal of Geelong Grammar School and Dr. Janet Leung, Assistant Professor, Department of Applied Social Sciences, the City University of Hong Kong to introduce the fundamental concepts of Positive Education to audience in English and Cantonese respectively. They will use the fundamental concepts of Positive Psychology and Positive Education to illustrate the fundamental key concepts of children's positive development and equip parents with techniques and skills in nurturing their children. The seminars also aim at providing a platform for parents to share their views on children's positive development, and at the same time reexamine parents' beliefs and practice in parenting.

Introduction of Geelong Grammar School and Mr. Charlie Scudamore

In collaboration with Prof. Martin Seligman of the University of Pennsylvania, USA, pioneer in the field of positive psychology, Geelong Grammar School ("GGS") in Australia developed a framework of positive education which has been very successfully incorporated into their curriculum since 2009. As the pre-eminent secondary school to implement positive education via a whole school approach, GGS has further established the Institute of Positive Education ("the Institute") in 2014 with the objective of delivering transformational educational programmes to promote wellbeing throughout the world and to nurture the growth of Positive Education through the provision of training, research and development. GGS has even published a book entitled "*Positive Education: The Geelong Grammar School Journey*" in 2015 to share their journey of implementing positive education at school.

Charlie Scudamore joined GGS in 1990 and is now the Vice Principal of GGS. Since 2006, he has been responsible for the development and implementation of Positive Education throughout the organisation. He has presented on Positive Education at many conferences in Australia and throughout the world, including a visit to Finland to meet key Ministry of Education and University of Vassa Education Department personnel in 2013 and a key note address at the Masters of Applied Positive Psychology Summit held in Philadelphia in 2014 and. Prof. Marty Seligman presented Scudamore with the Inaugural Pioneer Award for Positive Psychology, for pioneering work in the application of Positive Psychology.

Introduction of Dr. Janet Leung

Dr. Leung Tsin Yee, Janet is Assistant Professor of the Department of Applied Social Sciences at City University of Hong Kong. She is a registered social worker and has been working in social welfare field for over 20 years. She had been a service supervisor in a social service organization and was responsible to supervise a wide range of services such as children and youth services, school counseling services, training projects for dyslexic children, family support programmes, etc. Her areas of interest include poverty, adolescent development, family processes and parent education.

正向教育講座系列(二)

家長教育講座

(適合家長及任何對正向教育有興趣之人士參加)

2015年11月26日及27日晚上

地點：香港城市大學學術樓(二)3樓演講廳 3505室

截止報名日期：2015年11月24日

正向教育源於正向心理學，致力提升個人身心靈健康，從而使生命活得更美滿豐盛。透過一系列技能訓練及將正向心理學的概念融入課程之中，正向教育鼓勵學生與別人建立良好關係、增加積極情緒、提升個人抗逆力，並透過靜觀訓練加強專注力，以及培養良好健康的生活態度。在英、美及澳洲等國家，許多學校已將正向教育融入學校課程及活動之中。研究結果亦顯示，這些正向教育課程及活動能有效降低學生的焦慮和抑鬱症狀，增加他們的快樂感及解決問題的能力。

時下家長投放大量資源和精力發展孩子潛能，希望他們將來能出類拔萃。本次講座我們很榮幸邀請了澳洲著名學校 Geelong Grammar School 副校長 Charlie Scudamore 先生以及香港城市大學應用社會科學系助理教授梁倩儀博士，分別以英語及廣東話為我們介紹正向教育。他們會以正向心理學及正向教育的基本概念來說明兒童發展的根本關鍵，並從海外及本地應用及日常生活例子等，教授家長正向教育相關知識及技巧。是次講座亦旨在提供一個平台讓父母分享交流，藉以重新審視育兒理念和教養實踐。

Geelong Grammar School 及 Charlie Scudamore 先生簡介

澳洲 Geelong Grammar School (“GGS”)於 2008 年邀請正向心理學創始人，來自美國 University of Pennsylvania 的 Martin Seligman 教授合作，建立了一套完整的正向教育課程框架，並於 2009 年起於校內實施及推行，成效顯著。

GGS 不僅是首間以全校參與模式實踐正向教育的先驅，為了進一步向全球推廣正向教育的效益，令更多人活出豐盛人生，GGS 於 2014 年成立了 Institute of Positive Education，提供正向教育的專業培訓，及透過科學研究等，推動正向教育的發展。GGS 更於 2015 年出版了 *Positive Education: The Geelong Grammar School Journey* 一書，分享他們推行正向教育的歷程。

Charlie Scudamore 自 1990 年加入 GGS，現為該校之副校長。自 2006 年起，Scudamore 負責於校內發展及推行正向教育，並先後獲邀到澳洲及世界各地擔任演講嘉賓，分享及推廣正向教育。例如於 2013 年前往芬蘭與當地教育部官員及著名學府 Vassa University 的教育學系人員會面。2014 年，他應邀於美國賓夕凡尼亞大學正向心理學峰會上發表專題演講，並獲 Martin Seligman 教授頒授“Pioneer Award”，表揚其在應用正向心理學上的貢獻。
